Read full digital copies of your favorite magazines on a computer, tablet, or mobile device using the free Zinio Reader app!

HERE'S HOW

Create Accounts, Browse and Subscribe

Using the library's free Zinio magazine subscription service requires the creation of two accounts—a library Zinio account to view the library's collection and a free Zinio.com account to read magazines online or via the Zinio Reader app on your mobile device. Follow these steps to create both accounts:

(Note: You must use the same email address for both accounts.)

Create a library Zinio Collection account

1. Go to the library's Zinio Collection page. Browse the collection and click on a magazine to check out.
2. If you haven't already created an account, click **CREATE AN ACCOUNT**. Enter the required information and click **SUBMIT**.
3. Once your library collection account is validated, click **CONFIRM CHECK OUT**.
4. Your magazine is now checked out and available to read in your Zinio.com account.

Create a free Zinio.com account to start reading

5. After checking out your magazine, a Zinio.com window will open and prompt you to log in.
6. If you are new to Zinio.com, click **CREATE AN ACCOUNT**. Enter the required information and click **SUBMIT**.
7. Your personal reading account is now activated and your magazine is available in the **YOUR LIBRARY** tab on Zinio.com.

Install the Zinio Reader App*

Visit your device's app store to download and install the free Zinio Reader app. Note: Use the Zinio app only to read your magazines. Browse and check out new issues of library magazines using a Web browser.

* Some magazines can only be viewed using the Zinio Reader app and will not be available on your computer.

** Zinio Reader app compatibility includes PC, Mac, iPad®, iPhone®, Android™, Kindle Fire™/Fire™ HD, and Windows 8.

Read Your Magazines

Follow these steps to read your magazines using your device's browser or the Zinio Reader app.

Using your computer's Web browser

After checking out a magazine, click the cover image to open it for reading*.

Using the Zinio Reader app on smart devices

Reading magazines on smart devices** must be done through the Zinio Reader app—no online browser is available.

1. Open the Zinio Reader app and sign in to your Zinio.com account.
2. Select a magazine you've previously checked out by tapping on the cover.
3. The issue will open for reading and begin downloading to your device.
4. Continue reading your magazine, or finish reading offline after the download is finished.

Checking Out Additional Magazines

Return to the library Zinio Collection page using your Web browser to check out additional magazines. Note: You cannot check out magazines with the Zinio Reader app.

- Use the **ACCOUNT SETTINGS** area of your Zinio.com account and or the Zinio Reader app on your mobile device to stop receiving unwanted sample magazines, emails from Zinio.com, or to block adult content.

 1. Connect to your Zinio.com account.
 2. Click **YOUR LIBRARY** (PC/Mac) or **READ** (mobile apps).
